TRADIÇÃO E SOFISTICAÇÃO EM CERÂMICAS

Buscando a melhoria constante de seus produtos, mas sem perder a delicadeza da produção manual e artística, a Cerâmica Luiz Salvador por mais de 60 anos formou um talentoso grupo de artistas, treinados para produzir o típico “estilo” Luiz Salvador, em peças utilitárias e decorativas. Novos designs incorporados e várias tendências de renomadas escolas ceramistas são assimiladas, criando uma profusão de cores e estilos que resultam em peças únicas.

No tableware, a Cerâmica Luiz Salvador se destaca transformando desde a louça do dia-a-dia até as peças personalizadas para ocasiões especiais em produtos singulares.

Tendo mais de 90 colaboradores na companhia, com destaque para o time de 30 talentosos artistas pintores, a fábrica está instalada em uma planta de 3.000m² dentro de uma área verde de 6.500m² na charmosa região de Itaipava – RJ. Lá são produzidos mensalmente mais de 30 mil peças de 1.500 modelos diferentes em mais de 40 padronagens.

A Cerâmica Luiz Salvador tem seu showroom no polo turístico e gastronômico de Itaipava, e é parada obrigatória para quem visita a região. Além disso, seus produtos encontram-se em lojas especializadas em decoração, louças e presentes nas principais capitais brasileiras e no exterior.
